

PRAIRIE MOON

WALDORF SCHOOL

Learn about Prairie Moon. Your child will experience a morning baking bread, watercolor painting, participating in circletime, having free play, snack and outside time with you alongside. For children ages, 2 1/2 - kindergarten.

Kinder Morning

AUGUST 7 & 14, 8:30-11

(pick one)

The Curriculum at Prairie Moon

Our program provides outdoor education (nature walks and gardening), nurturing arts and handcrafts, coloring, watercolor painting, beeswax modeling, baking, felting, and woodwork. Seasonal verses, songs, puppet shows, fingerplays, and storytelling told in a weekly rhythm help to strengthen the child's ability to listen and concentrate, expand language development, foster memory growth, and create the foundation for long term literacy. In addition, movement and circle games help improve physical coordination and dexterity, and build capacities for the understanding of mathematical concepts.
