Your Affiliation and Equipment Fee is divided up as follows:

50% of the fee goes to your child's class teacher to spend on the year's class supplies and any necessary classroom furniture and equipment (i.e. chairs, desks). In the case of the older grades \$300 of the total fee goes to the class teacher to help fund a portion of the regional Waldorf School events, specifically the Pentathlon and the Medieval Games.

The other 50% is divided up between the purchase and maintenance of equipment and consumables within the overall school budget that includes cleaning supplies; office supplies; snow-melt; toilet paper, etc.; and the school's membership dues for AWSNA (Association of Waldorf Schools of North America) and WECAN (Waldorf Early Childhood Association of North America). It also pays for the evaluation of our program and teachers by WECAN, and other AWSNA-approved evaluators necessary to maintain accreditation as a developing member school.

NOTE: The Affiliation/Equipment Fee will not be refunded once school has begun.

Tuition Deposit

- A deposit equivalent to 10% of the annual tuition is required with a signed enrollment contract. Any tuition deposit will be applied to your tuition balance at the time of withdrawal from the school. Upon receipt of the contract and tuition deposit a place will be held for your child in the class.
- No deposit is required of continuing families who have already made tuition deposits, except when the 10% minimum is not met, due to changes in enrollment.

Tuition and Fee Payment: Prairie Moon offers one and two payment plans as well as a 10-month payment plan through FACTS Tuition Management Payment program (www.factsmgt.com). Payment through FACTS will begin with the July payment. Prairie Moon Waldorf School pays the FACTS Tuition Management Fee & FACTS Grant & Aid Assessment Fees. However, if the tuition payer opts for the "Peace of Mind" benefit they will be required to pay the \$12 fee separately.

10 month payment plans will be debited through FACTS Tuition Management beginning in July and ending in April. All supplemental fees must be paid in full by the first day of school.

Tuition for students who enroll after the first 2 weeks of school will be prorated on the basis of number of school days remaining, which may result in payments that are slightly different than those listed above for the 10-month payment plan. Likewise, for families who disenroll during the school year, the amount of funds remaining to be paid to the school or the family will be prorated based on the number of school days past plus the 30 days written notice.
