LEAD TEACHER:

Ms. Elizabeth Rowley

Ms. Elizabeth Rowley was born and raised in Wichita, KS. With creative roots in her lineage, an artist-writer father and homemaker mother, her childhood seemed magical. After travel and many work and life adventures, she finished her education at Wichita State University with three undergraduate degrees including a BFA in painting and drawing. She then pursued a life as a working artist. In October 2005, the first year Prairie Moon opened, she began her beautiful journey as the After-care teacher. For the past 2 years,

Ms. Elizabeth has been the Assistant Teacher in the Daisy Garden. She has also led the Early Childhood Summer Camp Program at Prairie Moon for the past several years. This summer Ms. Elizabeth will use nature as her muse and the children will make fairy houses out of clay using the natural elements they collect, felting projects with wool, as well as many other nature inspired crafts. "I always enjoy the summer program as we incorporate the same rhythms in the classroom as during the school year but we create the excitement of summer with fun water-play activities and crafts with plenty of time for the children to just play."

ASSISTANT TEACHER:

Ms. Katy Kendrick

Ms. Katy Kendrick is a recent graduate of Baker University. She is currently pursuing a Master's Degree at the University of Kansas in Special Education. This will be her second summer with Prairie Moon's Early Childhood camp and she is looking forward to being a part of the gentle rhythm each day holds. Katy says that, "summers at Prairie Moon provide the perfect atmosphere for young children to explore their personalities and develop new relationships with others and with nature."
